IT

Club e Colonna 316, sono frutto dell'espressione artistica di AQUAelite LAB, l'ufficio tecnico interno che da sempre si occupa di pensare, progettare, realizzare collezioni di alto valore funzionale ed estetico. Segni caratterizzanti del nuovo design AQUAelite® sono le linee sottili e la combinazione tra diversi materiali: acciaio, plastica, tecnopolimeri e gomma termoplastica.

EN

Club and Colonna 316, are the result of the artistic expression of AQUAelite LAB, the internal technical department that has long dealt with conceiving, designing, and creating collections of high functional and aesthetic value. Distinguishing signs of the new AQUAelite® design are the slender lines and combination of various materials, including steel, plastic, technopolymers and thermoplastic rubber.

FR

Club et Colonna 316 sont le résultat de l'expression artistique de AQUAelite LAB, Bureau Technique intérieur, qui s'occupe constamment de créer, concevoir, réaliser des collections de grande valeur fonctionnel et esthétique. Traits distinctifs du nouveau design AQUAelite sont les fines lignes et la combinaison entre les différents matériaux: acier, ABS, techno-polymères et caoutchoucs thermoplastique.
